## Profile

Peter Merry is currently co-founding Chief Innovation Officer at Ubiquity University. He was also a founding partner of Engage! InterAct, and the founder of the Center for Human Emergence (Netherlands).

He works in many different sectors. He has facilitated Integral change processes in a multinational technology corporation, major airline and Dutch ministry, and advised on the development of a global problem-solving framework with key global stakeholders for maternal and newborn health. He is a recognised expert in the fields of sustainability, learning, transformation, leadership and organisation. He has published three books: *Evolutionary Leadership* (Dutch 2006, English 2009), *Why Work?* (2019) and *Leading from the Field* (2020). He is a popular trainer, educator and public speaker.

## Experience

### **Designer and Facilitator Accept & Proceed Strategic Retreat - 01.2022**

Designing and facilitating a strategic retreat for top London-based creative studio Accept&Proceed to make their work more impact-driven.

### **Consultant World Bank Global Financing Facility - 2021-Present**
